difference of Rs 300-0-0 is due to the following:-

In the report sent by the Deputy Commissioner Rs 147-8-0 were erroneously shown for Rs 447-8-0 against certain Inam farms. This error has since been rectified as per figures of the Statement.

The difference of Rs 89-4-0, is the rental of Jodi Thirumalapura grove unsold at the time of report sent sold subsequently and included in the statement.

This is the correct figure. The difference of Rs 17-0-0 being the rental of Kunchenahalli farm was at first omitted in the Statement for 1895-96, as it was sold in November 1895 but subsequently entered in it, without

(2) A sum of Rs. 63-12-0, being the rental of Kowalloo Inam Grove sold subsequently was not included in the report. It has been included in the Statement.

The difference of Rs. 178-8-0 is the rental of one Inam shop and Inam grove which were not sold in 1896-97. For the sake of comparison this amount was omitted in the report. In the statement this amount is retained.

The correct amount is Rs. 21675-0-0 as per figures given by the Deputy Commissioner, in the Statement.

The correct total should have been Rs 35094-1-0; to this figure

the difference of Rs. 153-3-0, must be added as the same includes the rentals of certain farms not sold at the time the report was made and also certain alterations subsequently made by the Deputy Commissioner as noted below:—

Hence Rs 35094-1-0 + Rs 153-3-0, will give Rs 35247-4-0, as total for the taluk which is the correct amount as given in the Statement.
